DIVIDEND RELATED INFORMATION:

11. Final dividend as recommended by the Board of Directors for the financial year ended 31st March 2025, if approved at the AGM, will be payable to those Members of the Company who hold shares in demat mode, based on the list of beneficial owners to be received from NSDL and CDSL as at the close of business hours on Tuesday, 9th September, 2025 being the cut-off date and In physical form, if the names appear in the Company's Register of Members as on cut-off date. The final dividend will be paid in electronic mode only within 30 days of declaration in electronic mode only.

Members holding shares in demat mode are hereby informed that bank particulars registered with their respective DPs, with whom they maintain their demat accounts; will be used by the Company for the payment of dividend. Members holding shares in demat mode are requested to intimate any change in their address and/ or bank mandate to their DPs only, as the Company or its Registrar cannot act on any request received directly on the same.

Members holding shares in physical form are requested to intimate any change of address and / or bank mandate to Company's Registrar and Share Transfer Agent (RTA) by sending a request in relevant form from their registered Email ID. As per SEBI guideline w.e.f. 1st April 2024, dividend will be paid through electronic mode only.

12. In terms of SEBI Circulars dated 16th March 2023 and 17th

BHAGWATI AUTOCAST LIMITED

November 2023, read with Master circular dated 7th May 2024 SEBI has mandated that with effect from 1st April 2024, security holders (holding securities in physical form also) shall be paid dividend only through electronic mode. Such payment shall be made only after furnishing the PAN, choice of nomination, contact details including mobile number, bank account details and specimen signature by such shareholders. Further, relevant FAQs published by SEBI on its website can be viewed at the following link: https://www.sebi.gov.in/sebi_data/faqfiles/jan2024/1704433843359.pdf.

13. A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by e-mail to cs@bhagwati.com latest by 25th August, 2025. Shareholders are requested to note that in case their PAN is not registered, the tax will be deducted at a higher rate of 20% excluding surcharge & cess.
14. Members may note that as per the Income Tax Act, 1961, dividend income is taxable in the hands of the Members and the Company is required to deduct tax at source (TDS) from dividend paid to the Members at rates prescribed in the Income Tax Act, 1961. In order to enable the Company to determine the appropriate TDS rate as applicable, Members are requested to submit the documents in accordance with the provisions of the Income Tax Act, 1961 and Rules thereto.
 - a) **For Resident Members:** Tax at source shall be deducted under Section 194 of the Income Tax Act, 1961 at 10% on the amount of dividend for the Financial Year 2024-25 declared and paid by the Company during financial year 2025-26, subject to PAN details registered/updated by the Member. If PAN is not registered/updated in the demat account/folio as on the cut-off date, TDS would be deducted @ 20% as per Section 206AA of the Income Tax Act, 1961. No tax at source is required to be deducted, if during the financial year, the aggregate dividend paid or likely to be paid to an individual member does not exceed Rs. 5,000 (Rupees Five Thousand Only). Further, in cases where the shareholder provides Form 15G (applicable to any person other than a Company or a Firm)/Form 15H (applicable to an Individual above the age of 60 years), provided that the eligibility conditions are being met, no TDS shall be deducted. Notwithstanding the above, in case PAN of any Member falls under the category of 'Specified Person', the Company shall deduct TDS @ 20% as per Section 206AB of the Income Tax Act 1961.
 - b) **For Non-Resident Members:** Tax at source shall be deducted under Section 195 of the Income Tax Act, 1961 at the applicable rates. As per the relevant provisions of the Income-Tax Act, 1961, the withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) on the amount of dividend payable to non-resident Members. As per Section 90 of the Income Tax Act, 1961, Members may be entitled to avail lower TDS rate as per Double Taxation Avoidance Agreement (DTAA). To avail the Tax Treaty benefits, the non-resident Member will have to provide the following:
 - Self-attested copy of Tax Residency Certificate (TRC) obtained from the tax authorities of the country of which the Member is a resident;
 - Electronic Form 10F as per notification No. 03/2022 dated 16th July 2022 from the Central Board of Direct Tax. Form 10F can be obtained electronically through e-filing portal of income tax website
 - Self-attested copy of the Permanent Account Number (PAN Card) allotted by the Indian Income Tax authorities, if any
 - Self-declaration, certifying the following points:
 - i. Member is and will continue to remain a tax resident of the country of its residence during the financial year 2024-25;
 - ii. Member is eligible to claim the beneficial DTAA rate for the purposes of tax withholding on dividend declared by the Company;
 - iii. Member has no reason to believe that its claim for the benefits of the DTAA is impaired in any manner;
 - iv. Member is the ultimate beneficial owner of its shareholding in the Company and dividend receivable from the Company;
 - v. Member does not have a taxable presence or a permanent establishment in India during the financial year 2025-26.
15. Notwithstanding the above, in case PAN falls under the category of 'Specified Person', member is mandatorily required to submit a declaration providing status of Permanent Establishment in India for financial year 2025-26. As per Section 206AB of the Income Tax Act 1961, if the said declaration is not furnished, the Company shall deduct tax at source at twice the applicable rate referred above.
16. The Company shall not be obligated to apply the beneficial DTAA rates at the time of tax deduction/ withholding on dividend amounts. Application of beneficial DTAA Rates shall depend upon the completeness and satisfactory review by the Company of the documents submitted by the Non-Resident member.
17. In order to enable the Company to determine the appropriate TDS/withholding tax rate applicable, Members are requested to provide the aforesaid details and documents on or before 25th August, 2025 at cs@bhagwati.com. No communication on the tax determination/ deductions shall be entertained post 25th August, 2025. Members may note that in case the tax on said dividend is deducted at a higher rate due to non-receipt of the aforementioned details/ documents, there would still be an option available to the Member to file the return of income and claim an appropriate refund, if eligible.
18. In accordance with the provisions of the Income Tax Act 1961, TDS certificates can be made available to the members at their registered e-mail ID after filing of the quarterly TDS Returns of the Company, post payment of the said dividend.
19. The Company had sent a separate e-mail communication informing the Members regarding the relevant procedure to be adopted by the Members to avail the applicable tax rate as per the Income Tax Act, 1961.
20. SEBI vide its circular dated January 25, 2022, has mandated that listed companies shall henceforth issue the securities in dematerialized form only, while processing service requests such as issue of duplicate share certificates, transmission, transposition, etc. Accordingly, members who still hold share certificates in physical form are advised to dematerialize their holdings. Members holding shares in physical form are advised to avail the facility of dematerialisation by contacting a DP of their choice.
21. In accordance with the provisions of Sections 124, 125 and other applicable provisions, if any, of the Companies Act, 2013 read with the IEPF Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended (hereinafter referred to as 'IEPF Rules') (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force), the amount of dividend remaining unclaimed or unpaid for a period of 7 (seven) years from the date of transfer to the unpaid dividend account is required to be transferred within 30 days of becoming due to IEPF maintained by the Central Government.

The following are the details of the dividends paid by the Company and respective due dates for claim by the shareholders:

INDUSTRY STRUCTURE AND DEVELOPMENTS

Given the company's product range caters to the tractor and automobile industries, it is crucial to consider the current trends shaping these sectors. The current scenario in the automobile sector is marked by significant technological advancements and shifts in consumer preferences. The industry is witnessing a robust transition towards electric vehicles (EVs), driven by increasing environmental concerns and stringent emissions regulations. This trend is accompanied by advancements in autonomous driving technologies and the integration of smart features, such as connected car systems and enhanced safety measures.

OUTLOOK, OPPORTUNITIES AND DEVELOPMENTS

The tractor industry is undergoing rapid transformation, driven by technological innovations, sustainability goals, and a rising global demand for efficient agricultural machinery. Our company's fortunes are closely linked to the growth of the tractor sector, which is heavily influenced by agricultural activity and farmers' income, particularly through minimum support prices (MSP). As tractor demand rises, our customers are increasing their production, leading to full utilization of our capacity.

The demand for tractors is rising, particularly in developing countries where mechanized farming is expanding. This growth is driven by the need for higher productivity and efficiency in agriculture. The adoption of Internet of Things (IoT) and artificial intelligence (AI) in tractors is enhancing

their functionality. Features such as real-time monitoring, predictive maintenance, and automated crop management are becoming more prevalent. Tractors are being designed with greater versatility to cater to various agricultural tasks. Customizable attachments and implements are allowing farmers to perform a wide range of activities with a single machine.

Overall improvements in economic fundamentals are expected to positively impact these sectors in the medium to long term. This optimistic outlook for the tractor industry is likely to boost demand for auto components, benefiting us as a component supplier.

THREATS, RISKS & CONCERNS

As a supplier of components to OE manufacturers in the tractor industry, your company is directly impacted by various factors affecting this sector. Several risk factors include Economic downturns or fluctuations can impact agricultural incomes and investment in machinery. Changes in commodity prices and rural economic conditions can influence farmers' purchasing power and demand for tractors. Stricter environmental regulations and emission standards can impose additional compliance costs on manufacturers. Adapting to these regulations may require significant investment in new technologies and production processes. Rapid technological advancements can present risks if companies fail to keep pace. Investments in new technologies, such as electric or autonomous tractors, may pose financial risks if market adoption is slower than anticipated. The tractor industry's performance is closely tied to the agricultural sector's health. Factors such as crop yield fluctuations, climate change, and changes in agricultural policies can impact demand for tractors. These risk factors highlight the need for the tractor industry to remain adaptable and resilient in the face of changing economic, regulatory, and technological landscapes.

INTERNAL CONTROL SYSTEM AND ADEQUACY

The company has implemented robust internal control procedures designed to safeguard its assets from unauthorized use or disposal and ensure transactions are recorded and reported with accuracy and timeliness. These policies and procedures aim to provide reasonable assurance regarding the integrity of financial reporting and operational efficiency. Regular reviews are conducted through internal audits and statutory audits to assess the effectiveness of these controls.

Additionally, the company has established comprehensive internal financial controls, which are periodically tested and reviewed. The Audit Committee of the Board regularly examines internal audit reports. Over the past year, these controls have been rigorously tested, and no material weaknesses in their operating effectiveness have been identified.

BHAGWATI AUTOCAST LIMITED

Independent Auditor's Report

To
The Members of
Bhagwati Autocast Limited
Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Bhagwati Autocast Limited (the 'Company') which comprise the Balance Sheet as at March 31, 2025, The Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Sec. 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 as amended ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and its profit, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance

with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Emphasis of Matter

We draw attention to note no. 46 of the financial results regarding pending confirmation/ reconciliation and consequential adjustments in respect of trade receivables, creditors and advances.

Our opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matter	Auditor's Response
<p>Fair Value Assessment of Trade Receivables</p> <p>The company has trade receivables amounting to Rs. 2935.17 Lakhs (i.e. 34.89% of total assets) at the Balance Sheet Date 31/3/2025.</p> <p>All trade receivables of the company are pertaining to auto industry. The increasing challenges over the economy and operating environment in the auto industry during the year have increased the risks of default on receivables from the company's customers. In particular, in the event of insolvency of customers, the company is exposed to potential risk of financial loss when the customers fail to meet their contractual obligations in accordance with the requirements of the agreements.</p> <p>Based on historic default rates and overall credit worthiness of customers, the company adopted a policy for assessing credit risk as per expected credit loss model for outstanding balances as on balance sheet date as per their ageing bucket and impairment allowance of Rs. 2.21 Lakhs made in respect of outstanding trade receivables as on March 31, 2025.</p>	<p>We have performed the following procedures in relation to the recoverability of trade receivables:</p> <ul style="list-style-type: none"> ❖ Tested the accuracy of aging of trade receivables at year end on a sample basis. ❖ Obtained a list of outstanding receivables and assessed the recoverability of the unsettled receivables on a sample basis through our evaluation of management's assessment with reference to the credit profile of the customers, historical payment pattern of customers, publicly available information and latest correspondence with customers. ❖ Tested subsequent settlement of trade receivables after the balance sheet date on sample basis. <p>We found the key judgments and assumptions used by management in the recoverability assessment of trade receivables to be supportable based on the available evidence.</p> <p>We have drawn attention in Emphasis of Matters on trade receivables which, in our judgment, are fundamental to the users' understanding of the financial statements.</p>
<p>Property, Plant & Equipment</p> <p>The value of property, plant & equipment and capital work-in-progress amounted to Rs. 4304.05 Lakh (i.e. 51.17% of total assets) at the Balance Sheet Date 31/3/2025.</p> <p>There are a number of areas where management judgment impacts the carrying value of property, plant and equipment and capital work-in-progress and their respective depreciation profiles. These include :</p> <ul style="list-style-type: none"> - the decision to capitalize or expense costs; - review of estimated useful lives of assets - The timeliness of transfers to property, plant & equipment from capital work-in-progress. 	<p>We tested controls in place over the property, plant & equipment cycle, evaluated the appropriateness of capitalization policies, performed tests of details on costs capitalized and assessed the timeliness of capitalization from capital work-in-progress. We also reviewed the appropriateness of estimated useful lives applied in the calculation of depreciation.</p> <p>No issues were noted from our testing.</p>

Information other than Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the Other Information. The Other Information comprises the information

included in the Board's Report including Annexures to Board's Report, but does not include the financial statements and our auditor's reports thereon.

Our opinion on the financial statements does not cover the Other

Information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgement and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively or ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting polices used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief are necessary for the purpose of our audit.

BHAGWATI AUTOCAST LIMITED

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Cash Flows and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on March 31, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2025 from being appointed as a director in terms of Section 164(2) of the Act. (DIR-8 signed by all directors to be obtained)
- (f) With respect to the adequacy of internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid/provided by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Companies Act, 2013.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us :
- The Company has disclosed the impact of pending litigations on the financial position of its financial statements (Refer Note No.34 to the financial statements);
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There has been delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company during the year under review.
 - (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the note no. 55 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

(b) The management has represented that, to the best of its knowledge and belief, as disclosed in the note no. 56 to the financial statements, no funds have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the ultimate beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under (a) and (b) above, contain any material misstatement.

- v (a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.
- (b) The company has not declared or paid any interim dividend during the year.
- (c) As stated in note no. 14.5 and 14.6 to the financial statements, the Board of Directors of the Company have proposed final dividend for the year which is subject to approval of the members in the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with Section 123 of the Act, as applicable.

2. The company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, there are no instances of audit trail being tampered with. Additionally, the audit trail of prior year(s) has been preserved by the Company as per the statutory requirements for record retention to the extent it was enabled and recorded in the respective years. (Refer Note No. 48 to the financial statements)
3. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Report on the Internal Financial Controls With reference to financial statement under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls with reference to financial statements of Bhagwati Autocast Limited (“the Company”) as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s Judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company, (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statement, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies of procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as on March 31, 2025 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

BHAGWATI AUTOCAST LIMITED

Annexure “B” to the Independent Auditors’ Report

(Referred to in paragraph 2 under “Report on Other Legal and Regulatory Requirements section of our report to the members of Bhagwati Autocast Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- i. In respect of Company’s Property, Plant and Equipment and Intangible Assets :
 - (a) (A) The Company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company is maintaining proper records showing full particulars of intangible assets.
 - (b) The Property, Plant & Equipment have been physically verified by the management in a phased manner, designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and nature of its business. According to information and explanation given to us, no material discrepancies were noticed on such verification.
 - (c) The title deeds of immovable properties as disclosed in Note No. 3 on “Property, Plant and Equipment” to the financial statements are in the name of the company.
 - (d) The Company has not revalued its property, plant and Equipment and its intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2025 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- ii.
 - (a) The inventories were physically verified during the year by the Management at reasonable intervals. In our opinion and according to the information and explanations given to us, the coverage and procedure of such verification by the Management is appropriate having regard to the size of the Company and the nature of its operations. No discrepancies of 10% or more in the aggregate for each class of inventories were noticed on such physical verification of inventories when compared with books of account.
 - (b) The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks on the basis of security of current assets. In our opinion and according to the information and explanations given to us, the quarterly returns or statements filed by the Company for certain quarters are in not in agreement with the books of accounts. (Refer note no. 43 to the Financial Statements.)
- iii. The Company has not made any investments in, provided any guarantee or security to companies, firms, Limited Liability Partnerships or any other parties during the year. The Company has granted loans or advances in the nature of loans to other parties, in respect of which:
 - (a) The Company has provided interest-free unsecured loans or advances in the nature of loans during the year and details of which are given below:

Particulars	Aggregate Amount during the year (Rs. in Lakhs)	Balance outstanding at the balance sheet date (Rs. in Lakhs)
- Subsidiaries	Nil	Nil
- Joint Ventures	Nil	Nil
- Associates	Nil	Nil
- Others	50.25	49.45*

*Including interest accrued

The Company has not given guarantee or provided security to any other entity during the year.

- (b) The grant of all the above-mentioned loans or advances in the nature of loans are, in our opinion, prima facie, not prejudicial to the interest of the Company.
- (c) In respect of interest-free loans or advances in the nature of loans provided by the Company to its employees, the schedule of repayment of principal has been stipulated and the repayments of principal amounts are regular as per stipulation in such cases. In respect of loan to relative of key managerial personnel, schedule of repayment of principal amount and payment of interest has not been stipulated and is repayable on demand. In the absence of such schedule, we are unable to comment on the regularity of the repayments of principal amounts and payment of interest.
- (d) According to information and explanations given to us and based on the audit procedures performed in respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) No loan or advance in the nature of loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

- (f) The Company has granted loans which are repayable on demand or without specifying any terms or period of repayment details of which are given below:

Particulars	All parties- (Rs. In Lakhs)	Promoters (Rs. in Lakhs)	Related Parties (Rs. in Lakhs)
Aggregate amount of loans or advances in the nature of loans which are repayable on demand or without specifying any terms or period of repayment	48.35	Nil	48.35

- iv. The Company has complied with the provisions of Sections 186 of the Companies Act, 2013 in respect of loans granted. As explained to us, the company has not made investments, given guarantee or provided security as provided in the Sections 185 and 186 of the Act.
- v. According to information and explanation given to us, the Company has not accepted any deposits from the public and is not holding any amounts which are deemed to be deposits during the year. Hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- vi. We have broadly reviewed the books of accounts maintained by the Company pursuant to the Rules made by the Central Government for maintenance of cost records under section 148 of the Act, and are of the opinion, that prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the said records with a view to determine whether they are accurate or complete.
- vii. In respect of statutory dues:
- (a) The company has been generally regular in depositing undisputed statutory dues including Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues applicable to it with the appropriate authorities. We have been informed that the provisions of the Employees' State Insurance Act, 1948 are not applicable to the Company. There were no undisputed amounts payable in respect of Goods and Service tax, Provident Fund, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues in arrears as at March 31, 2025 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us, there are no statutory dues referred to in sub-clause (a) above which have not been deposited as on 31st March, 2025 on account of any dispute, except the followings:

Name of the Status	Nature of dues	Amount (Rs. in Lakhs)	Period to which the amount relates	Forum where the dispute is pending

- viii. There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the year.
- ix. (a) The Company has not defaulted in the repayment of loans and other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) To the best of our knowledge and belief, in our opinion, term loans availed by the Company were applied by the Company during the year for the purposes for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(ix)(e) of the Order is not applicable.
- (f) The Company did not have any subsidiary or associate or joint venture during the year and hence, reporting under clause 3(ix)(f) of the Order is not applicable.
- x. (a) The company did not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause x(a) of the Order is not applicable.

BHAGWATI AUTOCAST LIMITED

- (b) The Company has not made any preferential allotment or private placement of shares or fully or convertible debentures (fully, partly or optionally convertible) during the year under review and hence reporting under clause 3(x)(b) of the Order is not applicable.
- xi. (a) To the best of our knowledge, no fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As represented to us by the Management, there were no whistle blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- xiii. In our opinion, the Company is in compliance with Section 177 and 188 of Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. (a) In our opinion, the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered the internal audit reports of the Company issued during the year and till the date of the audit report covering the period up to March 31, 2025.
- xv. In our opinion, the Company has not entered into any non-cash transactions with directors or persons connected with its directors during the year. Hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. (a) In our opinion and according to information and explanations given to us, the Company is not required to be registered under section 451A of the Reserve Bank of India Act, 1934.
- (b) In our opinion, the Company has not conducted any Non-Banking Financial or Housing Finance activities without any valid Certificate of Registration from Reserve Bank of India. Hence, the reporting under paragraph clause 3(xvi)(b) of the Order are not applicable to the Company

- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors of the Company during the year.
- xix. On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act, 2013 or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under Clause 3(xx) of the Order is not applicable for the year.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED ON 31ST MARCH
2025**
NOTE NO. 1 - Corporate Information:

Bhagwati Autocast Limited ("The Company") is a public company domiciled in India and is incorporated under the provisions of Companies Act applicable in India. The Company is listed on BSE Limited (BSE). The registered office and plant of the Company is located at Survey No. 816, Village Rajoda, Near Bavla, Ahmedabad - 382220, India.

The Company is a leading producer of CI & SGI Castings in Gujarat. The Company is an ISO 9002 unit, having manufacturing capacity of 18000 MT p.a. of highly specialized Cast Iron(SI) & Spheroidal Graphitelron (SGI) Castings. The wide range of castings is from 40 kg. to 140 kg. for the automobile and tractor OEM in the country. At present, the Company caters to domestic market only.

The financial statements were authorized for issue in accordance with a resolution of the directors on May23, 2025.

NOTE NO. 2 – Material Accounting Policies
2.1 Basis of Preparation:
Compliance with Ind AS

These financial statements have been prepared in accordance with the Indian Accounting Standards ('Ind AS') as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 and presentation requirements of Division II of Schedule III to the Companies Act, 2013 (as amended from time to time). The financial statements have been prepared on an accrual and going concern basis.

Historical cost convention

The financial statements have been prepared under the historical cost basis, except for the following:-

- certain financial assets and liabilities which are measured at its fair values;
- defined benefit plans – plan assets measured at fair value.

Current and non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle (twelve months) and other criteria set out in the Schedule III to the Act.

Functional currency

The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency.

Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakh as per the requirement of Schedule III, unless otherwise stated.

2.2 Use of estimates and critical accounting judgements

The estimates and judgements used in the preparation of the financial statements are continuously evaluated by the Company and are based on historical experience and various other assumptions and factors (including expectations of future events) that the Company believes to be reasonable under the existing circumstances. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

The said estimates are based on the facts and events, that existed as at the reporting date, or that occurred after that date but provide additional evidence about conditions existing as at the reporting date.

2.3 Property, Plant & Equipment and Capital Work-in-Progress

Property, plant and equipment are stated at cost, net of recoverable taxes, less depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and other cost directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

Capital work in progress is stated at cost incurred during the construction/installation period relating to items or projects in progress.

Depreciation methods, estimated useful lives and residual value

Depreciation is provided on a Straight Line Method over the estimated useful lives of assets as follows:-

Class of Assets	Estimated useful life
Buildings	3-60 years
Plant & Equipment	15 years
Solar Plant	25 years
Electric Installation	10 years
Furniture & Fixtures	10 years
Lab Equipment	10 years
Office Equipment	3-6 years
Vehicles	8-10 years

The useful life as estimated above is aligned to the prescribed useful life specified under Schedule II or is based on technical evaluation done by the management's expert in order to reflect the actual usage of the asset.

The residual values are not more than 5% of the original cost of the asset. The assets residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the Statement of Profit and Loss.

2.4 Intangible Assets

Computer software are stated at cost, less accumulated amortisation and impairments, if any.

Amortisation method and useful life

The Company amortizes computer software using the straight-line method over the period of 6 years.

2.5 Inventories:

Items of inventories of Raw Material, Finished goods, Spares and Stores, Packing Material, etc. are valued at lower of cost or net realizable value except waste which is valued at estimated net realizable value. Cost is determined on weighted average/FIFO basis, as considered appropriate by the Company. Cost of inventories comprise of cost of purchase, cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. The net realizable value is the estimated selling price in the ordinary course of business less the estimated cost of completion and

BHAGWATI AUTOCAST LIMITED

estimated cost necessary to make the sale.

2.6 Financial Instruments

i. Recognition and initial measurement

All financial assets and financial liabilities are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss (FVTPL), transaction costs that are directly attributable to its acquisition or issue. Trade receivables that do not contain a significant financing component are measured at the transaction price determined under Ind AS 115.

ii. Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified as measured at

- amortized cost;
- Fair Value through Other Comprehensive Income (FVOCI) – equity investment; or
- Fair Value Through Profit and Loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI. (designated as FVOCI – equity investment). This election is made on an investment-by-investment basis.

All financial assets not classified as measured at amortized cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortized cost or at FVOCI or at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

Financial liabilities

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

De-recognition

Financial assets

The company de-recognizes a financial asset when the contractual

rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the company enters into transactions whereby it transfers assets recognized on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognized.

Financial liabilities

The company de-recognizes a financial liability when its contractual obligations are discharged or cancelled, or expire. The company also de-recognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

Off-setting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

2.7 Revenue recognition

Revenue is measured at the value of the consideration received or receivable, after deduction of any trade discount, volume rebates and any taxes or duties collected on behalf of Government such as Goods and Services Tax, etc.

The Company recognises revenue when the amount of revenue can be reliably measured, it is probable that future economic benefits will flow to the Company and specific criteria have been met for each of the Company's activities as described below.

Sale of goods

Revenue from sale of goods is recognised when control of the products being sold is transferred to our customers and there are no longer any unfulfilled obligations. The performance obligations in our contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.

Other revenue

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable rate of interest.

Revenue in respect of insurance/other claims etc., is recognized only when it is reasonably certain that the ultimate collection will be made.

2.8 Income tax

Income tax expense represents the sum of tax currently payable and deferred tax. Tax is recognized in the Statement of Profit and Loss, except to the extent that it relates to items recognized directly in equity or in other comprehensive income.

(a) Current Tax

Current tax includes provision for Income Tax computed under Special provision (i.e., Minimum alternate tax) or normal provision of Income Tax Act. Tax on Income for the current period is determined on the basis on estimated taxable income and tax credits computed in

accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments/appeals.

(b) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences.

Deferred tax assets are generally recognised for all deductible temporary differences, unabsorbed losses and unabsorbed depreciation to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, unabsorbed losses and unabsorbed depreciation can be utilised.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the balance sheet date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

(c) Minimum Alternate Tax (MAT)

MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised, it is credited to the Statement of Profit and Loss and is considered as (MAT Credit Entitlement). The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period. Minimum Alternate Tax (MAT) Credit are in the form of unused tax credits that are carried forward by the Company for a specified period of time, hence, it is presented as Deferred Tax Asset.

2.9 Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the

occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or where any present obligation cannot be measured in terms of future outflow of resources or where a reliable estimate of the obligation cannot be made.

A contingent asset is a possible asset arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are not recognised till the realisation of the income is virtually certain. However the same are disclosed in the financial statements where an inflow of economic benefit is possible.

2.10 Employee benefits :

Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

Other long-term employee benefit obligations

The liabilities for earned leave and sick leave that are not expected to be settled wholly within 12 months are measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method.

Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity; and
- (b) defined contribution plans such as provident fund.

Gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Gratuity liability of employees is funded with the approved gratuity trusts.

Defined Contribution Plans

Defined Contribution Plans such as Provident Fund, etc., are charged to the Statement of Profit and Loss as incurred.

2.11 Borrowing costs :

Interest and other borrowing costs attributable to qualifying assets are

BHAGWATI AUTOCAST LIMITED

capitalised. Other interest and borrowing costs are charged to Statement of Profit and Loss.

2.12 Earnings Per Share :

Basic earnings per share

Basic earnings per share is calculated by dividing

- the profit attributable to owners of the Company
- average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.13 Impairment of Assets

An asset is treated as impaired when the carrying cost of asset exceeds its recoverable Value. An impairment loss is charged to the statement of Profit and Loss in the year in which an asset is identified as impaired. The impairment loss recognized in earlier accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.14 Cash and cash equivalents

Cash and cash equivalent comprise cash in hand, demand deposits with banks, other short term highly liquid investments with original maturities of three months or less, which are subject to an insignificant risk of changes in value. Cash and cash equivalents include balances with banks which are unrestricted for withdrawal and usage.

2.15 Foreign Currency transactions:

Foreign currency transactions are translated into the functional currency using exchange rate at the date of the transaction. Foreign exchange gains and losses from the settlement of these transactions are recognized in the statement of profit and loss. Foreign currency denominated monetary assets and liabilities are translated into functional currency at the exchange rates in effect at the balance sheet date, the gain or loss arising on such translations are recognized in the statement of profit and loss.

2.16 Events occurring after the balance sheet date

Assets and liabilities are adjusted for events occurring after the reporting period that provides additional evidence to assist the estimation of amounts relating to conditions existing at the end of the reporting period.

Dividends declared by the Company after the reporting period are not recognized as liability at the end of the reporting period. Dividends declared after the reporting period but before the issue of financial statements are not recognized as liability since no obligation exists at that time. Such dividends are disclosed in the notes to the financial statements.

2.17 Recent Pronouncement:

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no impact on its financial statements.

On May 9, 2025, MCA notifies the amendments to Ind AS 21 - Effects of Changes in Foreign Exchange Rates. These amendments aim to provide clearer guidance on assessing currency exchangeability and estimating exchange rates when currencies are not readily exchangeable. The amendments are effective for annual periods beginning on or after April 1, 2025. The Company is currently assessing the probable impact of these amendments on its financial statements.

NOTES ON FINANCIAL STATEMENTS FOR THE YEAR ENDED ON 31ST MARCH 2025

(Rs. in Lakhs)

Note No. 39 - Financial Instruments - Fair Values & Risk Management

Note No. 39.1 - Accounting Classifications & Fair Value Measurements

The fair values of the financial assets and liabilities are measured at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

All financial instruments are initially recognized and subsequently re-measured at fair value as described below :

1. Fair values of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to short-term maturities of these instruments.
2. Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on the evaluation, allowances are taken to account for the expected losses of these receivables.

The company uses the following hierarchy for determining and disclosing the fair values of financial instruments by valuation technique:

Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 : Inputs other than the quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3 : Input that is significant to the fair value measurement is unobservable.

Note No. 39.2 - Financial Risk Management

The company's Board of Directors has overall responsibility for the establishment and oversight of the company's risk management framework. The company's risk management policies are established to identify and analyse the risks faced by the company, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the company's activities.

Note No. 39.2.1 - Credit Risk Management

Credit risk is the risk that a counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The carrying amount of following financial assets represents the maximum credit exposure.

Trade Receivables

The Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable. Individual risk limits are set accordingly. Trade receivables are non-interest bearing and are normally 30 to 60 days credit term. The Company performs impairment analysis at each reporting date using expected credit loss model. The Company does not hold collateral as security.

Details of single customer accounted for more than 10% of the accounts receivable as at 31st March 2025 and 31st March 2024 :

Mahindra & Mahindra Ltd.	1,695.13	1,389.58
Mita India Private Limited	620.95	1,030.40

Based on historic default rates and overall credit worthiness of customers, the company adopted a policy for assessing credit risk as per expected credit loss model for outstanding balances as on balance sheet date as per their ageing bucket :

Movement in the expected credit allowance

Particulars	2024-25	2023-24
Balance at the beginning of the year	14.63	10.22
Net charge/(reversal) during the year	(12.42)	4.41
Balance at the end of the year	2.21	14.63

Other Financial Assets

"The company has limited credit risk arising from cash and cash equivalents as the balances are maintained with banks with high credit rating. Hence, these are low risk items." "The company evaluates the recoverability of Other financial assets at each reporting date and the same are written off when there is no reasonable expectation of recovery. Where recoveries are made, these are recognised in the Statement of Profit and Loss."

Note No. 39.2.2 - Liquidity Risk

Liquidity Risk is defined as the risk that the company will not be able to settle or meet its obligations on time or at reasonable price. The company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the company's net liquidity position through rolling forecast on the basis of expected cash flows

Note No. 39.2.3 - Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loan borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, borrowing strategies, and ensuring compliance with market risk limits and policies.

a) Interest rate risk

Interest rate risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the company's position with regards to the interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

With all other variables held constant, the following table demonstrates the impact of the borrowing cost on floating rate portion of loans and borrowings and excluding loans on which interest rate swaps are taken.

Nature of Borrowing	Change in basis points	Impact on PAT	
		As at <u>31-03-2025</u>	As at <u>31-03-2024</u>
Working Capital & Term Loan	(0.50)	4.03	3.03
Facilities from Bank	0.50	(4.03)	(3.03)

b) Foreign currency risk

The company does not operate internationally and hence not exposed to currency risk on account of its receivables or payables in foreign currency.

c) Commodity Price Risk

Principal Raw Material for company's products is scrap and pig iron. Company sources its raw material requirements from domestic markets. Domestic market price generally remains in line with international market prices. Volatility in metal prices, currency fluctuation of rupee vis a vis other prominent currencies coupled with demand-supply scenario in the world market affect the effective price of scrap and pig iron. Company effectively manages availability of material as well as price volatility through well planned procurement and inventory strategy and also through appropriate contracts and commitments.
